1. Title of the Certificate Course:

“Advanced Certification Course in Stock Market ”

2. INTRODUCTION

Advanced Certification Course in Stock Market is jointly certified by Chhatrapati Shivaji Night College of Arts and Commerce, Solapur

This course is a perfectly designed stock market basics course, to create a powerful knowledge bank on various tools and techniques required to understand the functioning of capital markets. It gives a basic insight of financial jargons like Equities, IPOs, Derivatives, Technical Analysis of stock market, Macroeconomics and Financial Planning. It is a perfect blend of Fundamental Analysis of stocks, which shall help the investor to pick the right company and Technical Analysis which will provide the correct entry and exit timing and prices through study of charts. Financial Planning shall help to park their savings in the right investment vehicle. Certification in Course Stock Market for Beginners is the course to provide that knowledge.

3. OBJECTIVE

The Objective of the course is to equip the participant with necessary stock market theoretical and practical know-how so that students can apply the same in researching equity markets for wealth creation. It introduces you to the process of how to find and analyze companies, determine the risk of a stock investment or trade, proper entry and exit time of the stock, understand why markets move the way they do, and helps you choose the right trading style for your personal goals using correct approach to financial planning.
