## INVITATION

We cordially invite you for a One-day State Level PROGRAMME Workshop on "Intellectual Property Rights and Patents" on 30 Aug. 2019. The Intellectual Property (IP) is a category of property that comprises intangible creations of the human intellect. Intellectual property encompasses two types of rights - [a] Industrial Property Rights [Trademark, Patents, designations of origin, industrial designs and models] and [b] Copyright. It was not till the Nineteenth century that the term, "Intellectual Property" began and in the recent time, it has become the commonplace in the majority of the world.

The main aim of Intellectual Property Law is to encourage the creation of a large variety of goods. To obtain this, the law gives people and businesses property rights to the information and intellectual goods.

## ABOUT WORKSHOP

Internal Quality Assurance cell is a part of institution system and works towards quality enhancement continuously. It strives to create a quality culture in a institution. It acts as a nodal agency for the institution for coordinating various quality related activities. The prime task of the IQAC is to develop a method for conscious and consistent overall development of the institution.

This workshop is an endeavour to bring together the teachers and academicians to have a fruitful discussion on different aspects related to IPR. It provides a platform to the Participants to interact with the resource persons who are the authority in the field of higher education.

## ABOUT THE COLLEGE

Our Ch. Shivaji Night College of Arts and Commerce was established on 4<sup>th</sup> August of 1989. It was affiliated to Shivaji University, Kolhapur till the establishment of Solapur University, Solapur in 2005. It is the one and only one Night College in the Solapur district, which is located on the borders of Karnataka state. Our college is established exclusively for those students who are engaged during day time doing jobs and services. They come to our college in evening time. Our college offers a best opportunity to the needy, jobless and poor students. Most students learn in our college on Earn and Learn basis.

It has been our prime concern to impart qualitative and valuable service in the field of higher education to those students who are deprived of this education as they are engaged in service during daytime. Hon. President Mr. Manohar Sapate (Ex. Mayor), the entire Board of Directors and Principal Dr. A. N. Barbole always aim at the overall personality development of the students fraternally through extracurricular activities with various social and cultural organizations.

We always ensure and inculcate perfect discipline in terms of regularity, sincerity amongst Students so that they contribute to the society and nation as most responsible and respectable citizens. We truly believe that the education [knowledge] that we impart to our Night college students, as in the words of Dr. A.P.J. Abdul Kalam "Will change them into enlightened Citizens".
