ALUMNI 2017 - 2018

History

Alumni is very important for every college. This is the only source of genuine feedback. They carry on the exact tradition of our college everywhere in society.

They are the finest products/flowers of our college. We can only rely on them for the suggestions and feedback. They are the real source of inspiration and motivation.

Alumni form a bridge between the generations after generations of students having a direct linkage to the college. We can very proudly say that our past students have made a good position in society.

Alumni of a Night College can be looked upon from a different point of angle. Ours is a Night College 'Earn and learn' is the basis of our college. Our motto is "Knowledge is Power."

Now our college is 28 Years old by now and is currently running 29 Years. We started gathering information about our past students in the proforma.

Our past students have always helped us. Our college is highly obliged to our past students. We are proud of them.
